

3 bedroom villa in Benalmadena costa

Asking Price: €24,000.00

For Sale Ref: 38

We have a private and secluded family villa situated in a lovely community on the Benalmadena Costa and only one hundred and thirty metres from the wonderful coast and beaches. This extensive villa of two hundred and twenty square metres built area is set over one level, the total plot size being eight hundred square metres. This villa is a real mix of traditional and modern styling with every room being wonderfully furnished and decorated to the highest quality. With an exceptionally large open living room with wooden flooring, feature fireplace and double patio doors leading to a large terraced veranda. A double set of sliding doors open to a large hallway leading to the rest of the house.

The kitchen is not only very large but the existing owners have created a stylish fully equipped and modernised light open space, there is easily enough space for the large dining table for eight people and plenty more. In addition there is also a separate laundry room and studio.

Three double bedrooms one complete with its own en suite shower room form the rest of the house and again the owners have created rooms of quality and style. With two additional family bathrooms again fitted out to very high standards there is all a family could want here.

The outside gardens are beautifully maintained, large lawns, mature shrubs and trees continue around the villa. The formed swimming pool with heating system just adds even more to this wonderful property and with three separate terraces you are certainly spoiled for choice.
